ABOUT IOU

The Islamic Online University (IOU) is the brainchild of Dr. Abu Ameenah Bilal Philips, launched in 2007 from Qatar offering more than 24 short free diploma courses. By the beginning of 2015, its total registered student body has reached more than 255,000 from 228 countries around the world. IOU has the distinction of having the most diverse student body of any university in the world.

In March 2010, the IOU introduced the world's first tuition-free, online Bachelor of Arts in Islamic Studies based on a modified curriculum derived from those of the Islamic University of Madeenah, Omdurman Islamic University, Sudan, and Al-Azhar University, Cairo.

In 2014, the IOU announced four new departments: Department of Education, Department of Islamic Economics, Banking and Finance, Department of Psychology, and Department of Arabic Language and Linguistics. One year later, in 2015, IOU added two more departments: Department of Information Technology and Department of Business Administration.
