

The International Open University (IOU) attempts to strengthen the ability of youth in Africa and its diaspora through the provision of quality higher education.

In 2017, IOU launched the **1 Million African Scholarships (1MAS)** project with the aim of educating one million underprivileged African students. Alhamdulillah, within the last 7 years we have reached 27 countries and have offered scholarships to almost 6,000 students, with the help of our donors.

We invite you to join us on this journey by becoming a patron and spreading the word about this noble cause.
